Alt DCM- 45 people attended the Founders Day Workshop. On June 10, 1935 Dr. Bob had his last drink and AA was founded. AA's early beginnings are documented in our Texts: "AA Comes of Age", "The Language of the Heart", "Pass it On", and "Dr Bob", and the "Good Old-Timers". All AA approved literature. Many people ask the question "How did AA start?", "Where did it come from?", "Where did our Steps and Traditions come from?", "What set the stage for the conversation between Bill Wilson and Dr. Bob?". Chet P's presentation was wonderful. He explained the many coincidental meetings of people from all walks of life, I.E. Theologians, physicians, psychiatrists, businessmen, and the very compassionate people of the Oxford Group. Chet also explained that our most helpful asset, our pioneering founders possessed was our experiences as alcoholics. Were all these chance meetings coincidences or was it a God thing or maybe all the above. If you attended the Workshop you couldn't help but observe Chet's sincerity, love and gratitude he has for our fellowship and for his sobriety. PS; The fried Chicken and salads were delicious. Good fellowship was had by all
