**Women's Corrections Jan'06 Report-Beverly P & Kathy G** - We continue to take the message into the women's corrections facility. A new batch of women have been attending the meetings as their sentences expire. If you are interested in serving, please contact either myself for Kathy to volunteer.

Also, please extend the hand of AA to those women who do make it out of jail and to a meeting. The bridge needs to remain steady between the time they are released and if they do find their way to a meeting. That first meeting after being released could make the difference between the success and fall back of these women.

**(Men's) Jim K-** Two meetings were hosted at the Citrus County Jail this month Aug 2 and Aug 16, another is scheduled for Aug 30. At the Florida State Convention I attended the Corrections Workshop hosted by Chaz H, Area 14 Corrections Coordinator. Three former inmates spoke. They shared their experience and gratitude for the opportunity to start recovery while imprisoned. Two new volunteers submitted paperwork for clearance at the jail. Thank you George and Rick. Anyone interested in speaking and carrying the message into the jail please call Jim K. at 746-3115.

**Treatment -David B.-**The literature that we ordered is in and we will be taking it to the various locations for distribution this month. We had our usual monthly meetings and all went well. We have been asked to forego some meetings in September at the locations so that they can bring in other recovery groups for their presentations. We will have to check out the rumor that the Detox at Citrus-Marion is closing.

**Intergroup - Frank S.** -Fourteen groups represented this month. 68 calls to the Hot Line. The Yanna Club will no longer be considered as a possible office site. Still looking for a location to have the gratitude dinner which will be on Sunday Nov 5. You will see changes in the layout of the Treasurers report next month. Still looking for a new Webmaster.

**Literature-Bev H-** There will be a new catalog available mid next month and several of the books will be available on CD

**Information - Janet B:-CPC - Janet B** - Made the usual rounds for the month. Childhood Development Services has been added to our schedule effective this month. I have been successful in getting the Chronicle to change the AA message that they had been running and it will now reflect the Hotline phone number. Attended the Drug Coalition Meeting this month and the Speaker was Chief Burch of the CRPD. He spoke about the new LEAD Program. He will make available all information I can give him in the kits he is passing out to the parents. Also met with the Director of the Renaissance Center this month about a new program they are starting and they also will be looking for our information to pass on to their students. The paperwork for the Homeless Health Fair has been turned in. The call for help from all the groups in getting Big Books and 12X12 is being answered. I am so grateful for all your help and support. Thank you.

**Old Business** - We have 2 rooms available for the Chairpersons if you need them for the Oct Area Conference.
