We still have had no meetings at the jail. I was suppose to meet with Mr. Tucker at the jail on Monday 3/18, but he was ill.

I did turn in 2 new volunteer applications, for a total of 3 application in process, plus I'm waiting to receive 2 applications I've given out. If all are approved, we will have a committee of 14 approved volunteers.

**Treatment:** Willye M.

Once again all is going fantastic at the Centers /arsat program, the new open woman's meeting has truly taken off on Mondays at 7 pm along with our open meetings Fri at 7 pm , the men, s meeting on Mondays is starting up , , also in house the big book is being read weekly with the new books in hand , what a blessing to see all of these youth grow , they say it takes a village to raise a child , well the A.A. village should be proud of the work our district is doing, in love and service Treatment Chair District 28 Willye M.

**District Committee Member Report:** Paula D.

It is my privilege and pleasure to serve as your District Committee Member (DCM) for Panel 63

### **Area Assembly**

At the next assembly, which will be March 29-31, 2013, District 28 will be offering our service to the Area by helping at the registration desk on Saturday and Sunday. We will need as many volunteers as possible to allow for service to be done in 2 hour blocks and for people to be able to attend their workshops.

### **The Traditions**

(The Long Form) *Our A.A. experience has taught us that:*

**Tradition 3.**—Our membership ought to include all who suffer from alcoholism. Hence we may refuse none who wish to recover. Nor ought A.A. membership ever depend upon money or conformity. Any two or three alcoholics gathered together for sobriety may call themselves an A.A. group, provided that, as a group, they have no other affiliation.

**Concept III: To insure effective leadership, we should endow each element of A.A. — the Conference, the General Service Board and its service corporations, staffs, committees, and executives—with a traditional “Right of Decision.”**

- Do we understand what is meant by the “Right of Decision”? Do we grant it at all levels of service or do we “instruct”?
- Do we trust our trusted servants — G.S.R., D.C.M., area delegate, the Conference itself?

Thank you for allowing me to serve.
